Configurations

	7750DN	7750GX	7750DXF
Performance			
Print speed	35 ppm Colour and Black-and-White		
First page out	11 seconds		
Memory (Std / Max)	384 MB / 1 GB RAM	512 MB / 1 GB RAM	
Processor	715 MHz G4 class processor, Adobe® PostScript® 3™, PCL5c		
Internal hard disk drive	Standard 20 GB internal hard drive		
Maximum duty cycle	Up to 150,000 pages/month		
Print Quality			
Maximum resolution	1200 x 1200 dpi Photo, Enhanced, Standard		
Networking			
Network connectivity	10/100BaseTX Ethernet, USB 2.0		
Paper Handling			
Automatic 2-sided printing	Standard		
Paper input capability			
Standard	150-sheet Tray 1; 500-sheet Tray 2		
		1,500-sheet lower tray deck	1,000-sheet finisher (stapler/stacker)
			2,500-sheet high-capacity feeder
Productivity			
Standard features	Phaser Installer, Intelligent Ready, Job Pipelining		
	Custom Size Pages, Embedded Web Server, E-mail alerts, Enhanced PrintingScout, PhaserSMART, Job Accounting, Usage Analysis Tool, Booklet Printing, Smart Trays, Banner-size Printing, Proof/Secure/Saved Print, PDF 1.4 direct, Extended Font Storage, Job Collation		
	PhaserCal colour calibration	PhaserMatch 3.0 colour management plus comes with PhaserCal	
Warranty	One year on-site warranty		

Specifications

Network/Software

Printer management Xerox CentreWare Printer Management for Microsoft, Novell and Unix, CentreWare IS Embedded Web Server, CentreWare Web Administrator, Xerox NDPS Gateway, Usage Analysis Tool
Font capabilities 137 Resident PS fonts and 81 PCL.
Printer drivers Windows 9x (Peer-to-peer PhaserPort), Windows Me, Windows NT 4.x, Windows 2000/XP, MacOS 9.x/X, version 10.1 or higher, Novell NetWare 4.x/5.x/6.x, UNIX (Linux 5.2+, Sun OS 4.x,Sun Solaris 2.4+, DEC, HP/UX 11.x, IBM AIX 4.2+, SGI, SCO).
Languages True Adobe® PostScript® 3™, PCL5c emulation with automatic sensing and switching.

Paper Handling

Tray 1: 150-sheet Tray (standard) Bond and Cover 65–220 gsm, coated, glossy, Phaser Digital Photo Paper, labels, envelopes, Phaser Trifold Brochures, Phaser Weatherproof paper, Phaser Postcards, Phaser 45-Series Transparency Film. **Media sizes:** A/Letter, Executive, Statement, Legal, Tabloid, Tabloid Extra, Banner, A4, A5, A6, A3, B5 JIS, B4 JIS, ISO B5, SRA3, and Custom sizes; Envelopes: #10, A7, DL, B5, C6, C5, C4.
Tray 2: 500-sheet Tray (standard) Bond and Cover 65–169 gsm, glossy coated paper, thin card stock, Phaser Weatherproof paper, Phaser 45-Series Transparency Film. **Media sizes:** A/Letter, Statement, Legal, Tabloid, A4, A5, A3, B5 JIS, B4 JIS, and Custom sizes.
Tray 3, 4, 5: 1,500-sheet lower tray deck (standard on GX) Bond and Cover 65–169 gsm, glossy coated paper, thin card stock, Phaser Weatherproof paper. **Media sizes:** A/Letter, Statement, Legal, Tabloid, A4, A5, A3, B5 JIS, B4 JIS.
Tray 3, 4, 5: 2,500-sheet high capacity feeder (standard on DXF) Bond and Cover 65–169 gsm, glossy coated paper, thin card stock, Phaser Weatherproof paper. **Media sizes: Tray 3:** A/Letter, Statement, Legal, Tabloid, A4, A5, A3, B5 JIS, B4 JIS. **Tray 4, 5:** A/Letter, A4, B5 JIS.
Automatic 2-sided printing: Bond 65–105 gsm plain paper, heavy paper and letterhead.

Special Features

PrintingScout Instantly displays pop-up help if attention is needed during print jobs.
PhaserSMART provides automated internet-based support.
Auto Install automatically gets you printing over the network in seconds.
Productivity tools for the user: Secure Print, Proof Print, Saved Print, Booklet printing, Intelligent Ready, Scaling, Watermarks, Collation, Remote printing, Separation pages, N-up, MailLinX E-mail Alerts, Job Accounting, Job Pipelining, Extended font storage.
Productivity tools for the IT manager: CentreWare IS Embedded Web Server, MailLinX E-mail Alerts, PrinterMap, CentreWare Printer Management Software.

Colour Controls

Colour standards PANTONE®-approved solid-colour simulations, Adobe PostScript device-independent colour, CIE International colour standards, and support for ICC, ICM and Apple ColorSync colour management systems
Colour correction PhaserMatch 3.0, TekColor Dynamic Correction Colour Profiles selectable from the driver: Automatic, sRGB Display, sRGB Vivid, SWOP, Euroscale Commercial, SNAP, DIC Toyo, Black and White, None
PhaserMatch 3.0 colour management for custom profiles Standard 7750GX and DXF, Optional 7750DN.

Operating

Dimensions: 7750DN: width: 644 mm, height: 493 mm, depth: 715 mm, weight: 88 kg; 7750GX: width: 644 mm, height: 857 mm, depth: 715 mm, weight: 116 kg; 7750DXF: width: 1194 mm, height: 1067 mm, depth: 715 mm, weight: 161 kg.
Environment: Temperature: Storage: -20° to 50° C; Operating 10° to 32° C Relative Humidity: Storage: 30% to 55%, Operating: 10% to 85%. Noise Level: 33dBA standby, 51 dBA running.
Electrical: 220–240 VAC, 50/60 Hz Consumption: 230 W avg./1000 W max. ENERGY STAR qualified with ES option.
Regulatory: FCC Part 15, Subpart A, UL listed to UL 1950, CSA certified to CSA-C22.2 No. 950, CE Mark applicable to directives 73/23 EEC and 89/336/EEC CDRH, EN 55022

Customer Support

One-year on-site warranty, online web technical support and telephone support. Innovative service offerings include optional extended Service Agreements and custom training for your internal Help Desk.

Fuji Xerox Printers...EASY!

Phaser 7750
Tabloid Colour Printer

The full-spectrum printer for design and business.

There's little room for compromise if you rely on colour to communicate ideas and solidify concepts. It's got to be spot on every time you print, and you don't have all day to deliver. The Phaser 7750 colour laser printer has the complete feature set for professional design: fast performance to keep pace, fully controllable and customisable colour output, and intelligent features that help speed projects through to completion.

Bright colours at blazing speed.

The Phaser 7750 colour laser printer sets the pace for tabloid laser printers. It powers through the most complicated, high-coverage print jobs with ease, and delivers impressive results, consistently. Bolstered by powerful system level components, the Phaser 7750 colour laser printer won't make you late. It'll make you shine.

- 35 pages-per-minute – keeps productivity high.

- First-page-out time of less than 11 seconds and no long warm-up times.

- 715 MHz G4 PowerPC processor makes short work of complex, graphic-intensive layout files.

- Up to 1 GB of memory helps minimise print queues in production-oriented offices.

- Supports Tabloid, Tabloid Extra and Banner sized paper.

Better colour by design.

There's an impressive quality to Phaser 7750 prints. New Emulsion Aggregation Higher Gloss toner uses smaller, more uniform toner "particles" to bring more detail and clarity to every image. Plus, the Phaser 7750 printer is fully loaded with software to ensure that what you expect to see is what you get.

- Glossy, vivid colours and rich, deep blacks.

- Resolution up to 1200 x 1200 dpi for lifelike, high-quality colour output.

- Remarkably consistent output over the length of the print run.

- TekColor colour correction is your visual guide to accurately simulating output colours of other devices, such as your computer screen or a printing press.

- Powerful PhaserMatch 3.0 and PhaserCal colour management and calibration software helps you maintain colour accuracy from concept to final production – an essential tool for any graphic professional.

Easy to work with.

A busy office or design shop needs to rely on its colour printer, not babysit it. The Phaser 7750 colour printer practically installs itself, and intelligent management features help it blend in nicely with brisk-paced businesses.

- Prints on a wide variety of media, from bond and glossy paper to card and cover stocks with excellent reliability.

- Driver installs with just four mouse clicks; you'll be printing in minutes.

- Front panel graphically displays remaining toner levels, so there are no surprises.

- PrintingScout and media size sensors and alerts help prevent unintended misprints.

- Up to five feeder trays support the full gamut of media for full production flexibility.

- Optional Finisher (standard in DXF configuration) adds stapling, collating and job offsetting features.

Phaser 7750DXF

Always Productive

The Phaser 7750 colour laser printer comes standard with a suite of software tools to aid productivity in today's complex office technology environments.

CentreWare IS Embedded Web Server provides easy printer management via your favourite web browser. Save time with configuration cloning and automatic installation, and access MaiLinX email alerts, consumables status, printer configurations, job accounting and automated support.

For enterprise-level printer management, server-based CentreWare Web makes it easy for IT administrators to install, configure, obtain reports and troubleshoot all Xerox and non-Xerox network devices simultaneously.

PrintingScout (instant pop-up Help), PhaserSMART (remote diagnostic tool), and a full one-year on-site warranty ensures that your printer will be on-line, all the time.

High performance from start to finish

If you print a lot of multi-page documents, you'll find the Phaser 7750DXF configuration tremendously useful. We've added a High-Capacity Feeder ❶ to give you an additional universal tray and two letter size trays for a total 3,150-sheet capacity. A Finisher ❷ simplifies your on-demand workload by stapling sets of up to 50 sheets and offset-stacking them for easy pick-up and distribution.

The Phaser 7750DN configuration comes with automatic 2-sided printing and two versatile paper input trays: a 150-sheet multi-purpose Tray 1, ❸ and a 500-sheet universal tray ❹.

The Phaser 7750GX configuration adds a lower tray deck, containing three 500-sheet universal trays ❺ ❻ ❼ for a total capacity of 2,150 sheets.
