35mm Compact Camera

CLEAR SHOT MII VII

Simple &
 User-friendly
 So convenient you can take it anywhere
 Making life fun

Affordable and Convenient

Simple operation makes it so easy to use. So simple anyone can use it. Cheap to run too—uses just one alkaline battery.

Small and Light Enough to Slip into a Pocket

Compact body packed with functions. Small and light enough to take with you anywhere.

Built-in Flash

Manually selectable so you can use it anytime. Not just at night or inside, but for backlit shots too.

Red-eye Reduction Mode

A pleasant surprise at this price - a red-eye reduction function. The red-eye reduction function minimizes red-eye in shots.

CLEAR SHOT M II

No Need to Focus

Fujinon Lens for Sharp, Vibrant Images

Trouble-free Automatic Winding and Rewinding

Automatic Flash

At night or in dark rooms, the flash fires automatically. You can take beautifully bright photos anytime, anywhere.

Red-eye Reduction Mode

The red-eye reduction function minimizes red-eye in shots taken with the flash.

Automatic Film Winding

Equipped with a powerful motor drive that automatically winds on the film after each shot. And a flip of a switch will automatically rewind the film.

Small and Light Enough to Slip into a Pocket

Compact body packed with functions. Small and light enough to take with you anywhere.

CLEAR SHOT V II

**Amazing Easy-to-use Camera for Novices
An Affordable Model Streamlined
to Provide Just the Functions You Really Need**
