**SET-UP:** Before playing, punch out the large call numbers. Save the recording board to replace the call numbers after the number has been called. Punch out the red markers and give each player a supply. Assemble the shaker box and insert call numbers for the game. Players choose one or more bingo cards to play on and cover the “free” space with a red marker.

**GAME PLAY:** Select a player to be the “caller” to call out each letter-number on the call numbers as they are dispensed from the shaker box. Players having the letter-number on their bingo card(s) place a marker over the spot. Continue this play until a player “BINGOS”.

Players leave all markers in place until the person calling “BINGO” has his card checked for correctness. If correct, this player is the Winner. If 2 players “BINGO” at the same time, continue calling numbers until one of the players can cover a number and win the game!

At the end of each game, players may choose new cards and the Winner of the previous game becomes the “Caller”.
