Introducing

APOLLO Pro UX

3.5" USB External Hard Drive

The Professional Storage Solution

Encased in a professional, durable desktop design, the Apollo™ Pro UX from Imation is the perfect solution when you need backup or additional storage capacity. Whether you're looking to safeguard business and personal information or simply need more space for music and photos, the Apollo Pro UX delivers the performance and features you require.

A 3.5-inch form factor available in capacities up to 1.0TB, the drive features an innovative, integrated fold-down stand and low capacity/data activity LED display. Backups are quick and thorough thanks to the included one-touch automatic software that can be configured to meet your needs. The Apollo Pro UX is Mac- and PC-compatible with a USB 2.0 interface and features a power-save mode for periods of inactivity.

Features and Benefits

+ High-capacity data storage for music, photos and video
