4. **Check for damaged parts.** Before using any product, any part that appears damaged should be carefully checked to determine that it will operate properly and perform its intended function. Check for any broken or damaged parts and any other conditions that may affect its operation. Replace or repair damaged or worn parts immediately.
5. **Do not operate product if under the influence of alcohol or drugs.** Read warning labels on prescriptions to determine if your judgment or reflexes are impaired while taking drugs. If there is any doubt, do not operate the product.
6. **Dress properly. Do not wear loose clothing or jewelry. Contain long hair. Keep your hair and clothing away from the Hurricane Lantern.** Loose clothes, jewelry, or long hair can be caught in the Hurricane Lantern, causing personal injury.
7. **Do not expose the Hurricane Lantern to rain or wet conditions.** Water entering electrically powered equipment will increase the risk of electric shock.

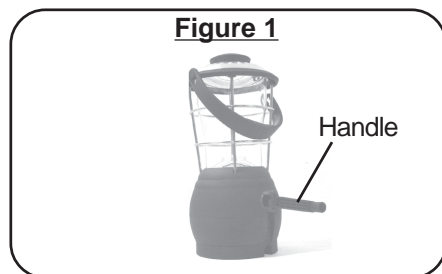

**Warning:** The warnings, cautions, and instructions discussed in this instruction manual cannot cover all possible conditions and situations that may occur. It must be understood by the operator that common sense and caution are factors which cannot be built into this product, but must be supplied by the operator.

### Unpacking

When unpacking your Hurricane Lantern, check to make sure that the product is intact and undamaged. Your Hurricane Lantern requires no assembly. If any parts are missing or broken, please call **HARBOR FREIGHT TOOLS** at **1-800-444-3353**.

### Operation

1. The Hurricane Lantern has a push button On/Off. Press the On/Off Button to OFF before charging the Hurricane Lantern. Pull out the Handle as shown in Figure 1.
2. Grasp the Handle and crank it continuously clockwise for at least 30 seconds. Thirty seconds of cranking the Handle will generate roughly 15 to 30 minutes of light. When finished cranking, fold the Handle back into its slot as shown.
3. Press the On/Off Button to ON to turn on the Hurricane Lantern.

The LED light is expected to have a long working life. The Hurricane Lantern has no replacement parts.
