Magnafire® Custom Cab Brow Mounts (1500, 2500, 3500, and 3600 Series)

Custom cab brow mounting with a Magnafire 3000 or 5000® high intensity light. This mount is available for Spartan, KME, E-ONE, E-ONE Quest Chassis, American LaFrance, Freightliner, and other manufacturers.

- Each mount is vehicle specific, cast formed to match roof radius for easy installation and a professional look.
- The Magnafire® cast aluminum housing floodlight 10° downward angle design provides optimal scene lighting around your truck to see and be seen at the incident!
- The new smaller Magnafire 5000® (available for KR-2500, KR-3500 and KR-3600 series) allows you to save mounting space.
- More light, less watts! Allows you to add more lights to your apparatus without increasing the total electrical load (i.e. bigger generator).
- Contact your OEM dealer for availability for your vehicle!
