

# HP LaserJet 4345mfp series

Maximise workgroup productivity with print, copy, scan to e-mail, and analog fax<sup>1</sup>. This flexible multifunction device supports multiple paper trays, stapling and stacking document-finishing options<sup>2</sup>, a 3-bin mailbox<sup>3</sup> and digital sending<sup>4</sup>.

**Ideal for busy workgroups of 3 – 15 users in businesses ranging from single site operations to the regional/satellite offices of large organisations, people who need shared access to a high productivity, monochrome A4 MFP offering a whole suite of advanced business tools.**

#### Support high workflow needs of demanding workgroups.

- Enhance the productivity of busy office workgroups with versatile print, copy, digital sending<sup>4</sup> and fax features<sup>1</sup>.
- Flexible options with up to 2,100-sheet input capacity and automatic two-sided printing accessory<sup>1</sup>.
- Choose 3-bin mailbox<sup>3</sup> for separating print, copy and fax functions, assigning mailboxes for users or stacking up to 700 sheets.
- Boost performance with 50-sheet automatic document feeder (ADF) for unattended document processing.

#### Simplify and save time.

- Optimise the MFP's embedded sending functions<sup>5</sup> with optional HP Digital Sending Software 4.0<sup>6</sup> which features LDAP authentication and job storage.
- Get impressive results when you need them with 43 ppm black & white A4 printing and copying; first page out in under 10 seconds.
- Produce high quality duplex documents with the automatic two-sided printing accessory<sup>1</sup>.
- Transform your document workflow with optional routing software – send information to a range of applications.

#### Easy, worry-free operation with HP LaserJet reliability.

- Easy sharing – enjoy best-in-class networking with the HP Jetdirect Fast Ethernet embedded print server.
- Easy to use, intuitive control panel with touch-screen graphics.
- Enjoy ease-of-use and reliability associated with HP LaserJet printers, plus all the versatility of a high productivity MFP.
- Get consistently high quality results with HP Smart printing technology<sup>7</sup> – automatically enhancing print quality.

<sup>1</sup> Analog fax and automatic two-sided printing unit standard with HP LaserJet 4345x, 4345xs and 4345xm models.

<sup>2</sup> Stapler/stacker: standard with HP LaserJet 4345xs; optional accessory (sold separately) with HP LaserJet 4345, 4345x and 4345xm models.

<sup>3</sup> 3-bin mailbox: standard with HP LaserJet 4345xm; optional accessories (sold separately) with HP LaserJet 4345, 4345x and 4345xs models.

<sup>4</sup> Digital sending capabilities via optional accessory.

<sup>5</sup> Embedded sending features include send to e-mail, send to network folder and LDAP authentication.

<sup>6</sup> Digital sending capabilities via optional software, sold separately.

<sup>7</sup> Using genuine HP supplies ensures availability of all HP Smart Printing features.

# Get versatile, efficient, and reliable document creation for the office.

## Lasting value

Total cost of ownership is a critical part of the purchasing decision and the HP LaserJet 4345mfp series is capable of delivering significant cost savings.

**An efficient multifunction device.** Impressive paper-handling capabilities enable local document production, eliminating the costs associated with centralised printing.

**Reliability saves money.** Hewlett-Packard has consistently received the top grade in PC Magazine's Service and Reliability Survey and was recently awarded one of the first-ever A+ ratings. This level of reliability is a major factor behind enhanced user productivity and low total cost of ownership.

## The HP Smart supplies advantage<sup>9</sup>

HP papers and print cartridges are designed to work together with HP printing devices to deliver impressive halftone images, smooth greyscales and fine details. HP Smart Printing technology is activated every time you install an HP print cartridge; as well as enabling easy management of your supplies, each HP print cartridge continually adjusts toner properties to ensure high-quality output throughout its working life.

## Award-winning HP support

We offer a range of support options to enable you to make the most of your investment and ensure that your MFP always operates at peak efficiency. Start with a one-year, next-day, onsite HP limited warranty, backed by free telephone support. To further guarantee trouble-free operation, we can have options including network installation, advanced maintenance and post-warranty support.

## Digital sending features

The following table details the MFP's standard digital sending features (no additional software needed):

Function	Supported file types	Supported resolutions	Description
Send to e-mail	.PDF, .JPEG, .TIFF, .MTIFF	Up to 300 dpi	Scan a document and send it to one or more e-mail recipients in colour or black and white.
Send to network folder	.PDF, .JPEG, .TIFF, .MTIFF	Up to 600 dpi	Scan a document and send it to a folder on the network.
