hp officejet 7140xi printer/fax/scanner/copier

The HP Officejet 7140xi provides top-of-the-range performance, speed, quality and versatility in one compact & networkable solution. Print and copy up to 22 ppm in black and 18 ppm in colour. For maximum quality, there's 4800-optimised dpi* printing.

The HP Officejet 7140xi is designed for customers responsible for a small/micro businesses – or operating their own full-time home office – who have an immediate or imminent need to share advanced print, fax, scan and copy facilities between two or more PCs.

Get more done with fast and easy printing and copying.

- Fast printing and copying at up to 22 ppm in crisp black and up to 18 ppm in bright, vivid colour.
- Walk-up copying means there's no need to switch on the PC.
- Advanced copy features including reduce and enlarge by 25 to 400%.
- 50 page ADF allows you to leave entire documents to copy.
- Low-ink indicator means you can re-order supplies before it's too late.

Network-ready – everything you need to share your all-in-one between two or more PCs.

- Includes HP Jetdirect 200m print server to enable networking.
- Make the most of your investment – enable others to share in the performance of this versatile all-in-one.
- Fits into the open LIO slot in the back of the unit.

Printing, faxing, scanning and copying – your all-in-one business centre.

- Designed for maximum convenience – without compromise on speed or quality.
- All the tools you need, all designed to work together.
- Easy to use functions so you're getting things done from day one.
- Superb all-in-one with outstanding speed, quality and functionality.
