

# HP Photosmart R727 Digital Camera

Take stunning 6.2 MP photos that make beautiful prints and enlargements up to poster size. This elegant, durable camera—with an internal 3x optical zoom lens—is easy to use, thin and stylish. View photos on a big, bright, 6.4 cm image display.

**The HP Photosmart R727 Digital Camera is designed for confident users, people who enjoy taking photos and will appreciate a slim, stylish camera that helps them to achieve better results that can be printed out at any size from snapshot to poster.**

**Get stunning 6.2 MP photos with 3x optical zoom and a 6.4 cm image display.**

Take impressive photos – at 6.2 MP – for beautiful 10 x 13 cm prints and enlargements up to poster size. An internal 3x optical zoom lens fits into the camera body for clear distance shots. Thin and elegant, this durable metal camera is small enough to slip into your pocket. Frame, view and edit on a big 6.4 cm image display that's bright enough to see indoors and out. Record high quality VGA video with audio – then save video stills to print directly from your camera.

**Easily get photos the way you want them using HP Real Life technologies.**

Add creative touches to your photos with artistic effects, borders and more – right in the camera. Automatically remove red-eye right in the camera and see the photo you want – no PC required. Automatically bring out details normally lost in the shadows with HP adaptive lighting technology. Snap up to five photos for a panorama shot you can print from the camera – without software or a PC. Get creative using manual controls and useful photo-taking tips with HP Instant Advice.

**Get true-to-life HP prints you'll love to share whatever way you prefer.**

Simple prints, simple sharing—easily e-mail or print photos at home using HP Photosmart Share. Edit, organise, print and share digital photos using included HP Photosmart Software. Get beautiful prints almost anywhere with an easy-to-use HP Photosmart Compact Photo Printer[k1]. Get brilliant photos, T-shirts and gifts without leaving home using Snapfish, an online service of HP[k2]. Do even more with a choice of optional accessories including docks, cases, memory cards and recharge kits.

[k1] HP Photosmart Compact Photo Printer and HP Internal Battery for HP Compact Photo Printers not included. Please purchase separately.

[k2] Snapfish availability varies by region.
