EasyTop top loader

A modern toploader for notebooks up to 15.4"

The EasyTop transports your mobile computer safe and sound, distinguishing itself from the rest of the market with its thoughtful design.

Notebooks up to 15.4" are simply stowed in the special pocket with its effective HDF padding, the toploading design makes access to this particularly easy.

Aside from the special Notebook pocket, the spacious and lockable main compartment offers further storage room for other equipment. The additional zipper pocket holds room for documents and more mobile equipment whilst the front pocket features an integrated workstation for pens, businesscards, mobile phone and more. More documents can easily be stowed in the open document pocket on the case rear.

The trolley strap and the adjustable carry strap with its shoulder pad guarantees comfortable transportation.
