

# Data To Go 2 160GB

**160GB - External 2.5" Hard Drive  
Portable Storage Device**

**I160HD25G2**

## Description

"Functionality with Style" is the best way to describe I/O Magic's Data To Go 2™ 160. This portable storage device lets you take all your data with you. With up to 160GB of storage space packed into this compact unit, the Data To Go 2 160GB is ideal for storing important files, backing up your computer, storing MP3s and digital photos, or transferring files from one computer to another. Trimmed in black and silver, the Data To Go 2 160GB is an elegant way to pack 160GB of storage into any portfolio.

No other portable drive in its class features the unique "Single-Touch" data back-up function. The Data To Go 2 160GB provides a simple way to back-up data, so you will not lose those important files. At the touch of a button on the unit, you can copy files to the Data To Go 2 160GB—keeping all your data in one portable location. You can even backup your whole system to the Data To Go 2 160GB (provided you have enough room).

Powered through a USB 2.0 port, the Data To Go 2 160GB requires no batteries, adapters or installation software.

## Drive Specifications:
